His father was interned by the Japanese in a concentration camp. John returned to Hong Kong at age seven and was educated in the British system through his high school years. He received his college education at Houghton College, New York, majoring in Psychology. Upon returning to Hong Kong after graduation, he observed the millions of people in crowded

conditions and their need for Christ which convinced him that he should dedicate his life to serving Christ among the Chinese people. He worked among the youth of Hong Kong, taught in high school, preached, and planted a church in a resettlement area. He and his wife were able to realize their dream of an effective camping program with an evangelical emphasis. John was able to spearhead a church planting project which saw three churches planted and seven more on the drawing board. Because of his vital interest in missions and his service of preaching in all parts of the world, in 1981 Rev. Bechtel assumed the position with the Arthur S. DeMoss Foundation as Project Director for Hong Kong, Taiwan, and China. In 1983 the Bechtel family moved to the Philadelphia area where Mr. Bechtel assumed the new position of Project Director Coordinator with the DeMoss Foundation.

MONDAY, NOVEMBER 6 REV. MICHAEL GAYDOSH

"From the Rebel to The Reverend"

Mike Gaydosh admits that when he was growing up, "Being a pastor was probably the farthest thing from my mind." He attended Taylor and graduated in 1974, then set his sights on law school. While in law school, though he did excel, there was what he calls "an emptiness." After countless hours of soul searching and Bible reading, Gaydosh, in effect, handed his life over to God and left law school. He enrolled at Western Conserva-

tive Baptist Seminary in Portland, Oregon, married Susie in June, 1978, and graduated with honors in 1979 with a Master of Divinity Degree. After a three year associate pastorate, he was called to his home church, Calvary Baptist in Amityville, New York. Recently, Mike has been asked to pastor a second church which has been on the verge of closing its doors, Copiague Union Bible Church, the home of Mike's family for the first 13 years of his life. So he finds himself in the unique position of pastoring both churches in which he grew up. Mike and Susie have three children and live in Amityville.

Mark's best writing continues to be in the lives of his wife, Jo Ann, and their three sons, Walker, Robert and Preston.

WEDNESDAY, NOVEMBER 15 TAYLOR FAMILY CHAPEL

Richard H. Dominguez, M.D., Speaker

Dr. Richard H. Dominguez, a physician from the western suburbs of Chicago, is deeply concerned with keeping people well. His orthopedic practice led to a concentration in sports medicine, which in turn led to a complete wellness program. He believes that the Bible talks significantly about practices which lead to shorter life, or conversely lead to an extended life. Dr. Dominguez received his undergrad training at Houghton College, NY, and his medical training at the University of Chicago School of Medicine. He is a board certified orthopaedic surgeon with a private practice in sports medicine and arthroscopic knee surgery. He is co-medical director of Sports Performance and Rehabilitation Institute in Carol Stream, IL, and is the author of several books, including The Complete Book of Sports Medicine and The Gift of Health. FRIDAY, DECEMBER 1 MRS. VALETTA STEEL

Valetta Steel, a missionary in Taiwan with OMS International, has served in a variety of capacities since joining the organization in 1959. In Taiwan Valetta is heard daily over the Chung-Tai English radio broadcast and edits the Chung-Tai English/Chinese magazine. She assists in the coordination of the English language ministries, which serve more than 1,000 students annually through the OMS Good News English Night School, evangelistic camps, Sunday rallies, Upper Room discipleship meetings, and home Bible studies. Valetta married a young pastor, Henry Steel, who fought a courageous but losing battle with Hodgkin's disease. The Steels had three children, the first of whom died at age two of leukemia. After her husband's death, Valetta's two teenage sons were killed instantly in an auto accident. By turning her loneliness and heartache into a springboard, Valetta has successfully ministered to thousands. Tyndale House has recently published her new book, Thrice Through the Valley, co-authored by Ed Erny.

MONDAY, DECEMBER 4 DR. DAN YUTZY

"Tongues: To Speak or Not to Speak"

Tongues is probably the most controversial feature in the modern charismatic renewal. There are probably more extreme statements pro and con on this matter than on any other phenomenon associated with the person and work of the Holy Spirit. We will try to take a look at both the Biblical and experiential aspects of this subject with a view to achieving some balance.

WEDNESDAY, DECEMBER 6 CHRISTMAS WORSHIP SERVICE

Come worship the Savior! "*...for today in the city of David there has been born for you a Savior, who is Christ the Lord.*" This will be a time for the Taylor Community to enjoy Christmas worship together.

FRIDAY, DECEMBER 8 CHRISTMAS CELEBRATION

This work suggests a need for new ways of studying, teaching, and practicing international relationships. Much of this work is rooted in study of negotiations and conflict resolution as well as in intensive non-official dialogue with Soviets, Arabs, Israelis, Latin Americans, and Chinese. Mr. Saunders is a ruling elder in the Presbyterian Church (USA).

MONDAY, APRIL 23 PASTOR JAMES L. CUSTER

"Anybody Seen Bill Today?"

"Pastor Jim" is senior pastor of the Grace Brethren Church of Columbus, Ohio, where he has pastored for the last 20 years. The Lord has honored His Word as it is clearly taught at the Grace Brethren Church. Attendances average over 2800. A Christian Day School ministers to 1000 students. Eleven sister churches have been started as an outreach of the growth from Grace. Over 100 individuals have responded to the call of God in their lives and have been sent by the church as pastors, missionaries, and Christian school teachers all over the world. Today's message grew out of Pastor Jim's own college experience and an understanding of Luke 22:31-32. He believes it will touch on some areas of very practical and personal interests to the students of Taylor.

WEDNESDAY, APRIL 25 REV. JOHN W. WILLETT

In 1984, John was invited to serve as Senior Pastor of Westover Presbyterian Church in Greensboro, North Carolina. A rapidly growing church, Westover is currently in the process of a building program to meet the needs of her expanding membership and ministries. Westover continues to emphasize missions outreach, both at home and abroad. John leads a pastoral staff of four in ministry at their location in Greensboro as well as a church-planning venture in High Point, North Carolina. He is also involved in several evangelistic Bible studies for men, one of which has grown from 35 to 200 since it began five years ago.

FRIDAY, APRIL 27 DR. JAMES EARL MASSEY

James Earl Massey serves as Dean of Anderson University School of Theology, Anderson, IN. He was formerly Dean of the University Chapel and University Professor of Religion and Society at Tuskegee University (Alabama). In addition to his years as an active pastor and educator, Dr. Massey has been a guest preacher and lecturer at more than 100 Colleges, Universities and Seminaries in the U.S. and abroad. He is an Underwood Fellow and a Staley Distinguished Christian Scholar. In 1987 Dr. Massey was named "Christian Educator of the Year" by the National Christian Education Conference. He is the author of eighteen books and has published more than 500 articles in church magazines and scholarly journals.

MONDAY, APRIL 30 DR. BILL HETH

"'The Lord knows those who are his' (2 Tim. 2:19)"

Bill Heth teaches Biblical Literature II, The Gospels, and the Greek language courses here at Taylor. After graduating from the University of Michigan, and before pursuing his graduate studies, Bill spent four years on the campus staff of Campus Crusade for Christ in Washington, D.C. More than a few times he had to face the problem of those who had professed faith in Christ, lived fruitful Christian lives, and then later wanted nothing to do with the faith. Were they really Christians to begin with, or did they forfeit a salvation they once possessed?

*For behold, the winter is past,
The rain is over and gone.
The flowers have already appeared in the land;
The time has arrived for pruning the vines,
And the voice of the turtledove has been heard in our land.*

WEDNESDAY, MAY 2 MRS. BARBARA CUMMINSKEY SNYDER

When Barbara Snyder was twenty years old, after suffering for five years with unusual and devastating , unidentified symptoms, she was finally diagnosed as having MS, multiple sclerosis, a disease that slowly short-circuits the central nervous system by hardening the tissue around the brain and spine. In Barbara's case, the disease became increasingly severe. Confined to a wheelchair, Barbara needed a goal that even a disabled person could strive for; the goal became to grow in her faith by prayer for others. Through her prayer life, Barbara was a busy, active member of the human family, not separated from others by bitterness, self-pity, or despair. Her mind and spirit were healthy and whole; and then, God made her body whole, too. Come today and hear this remarkable story!
